PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<ol style="list-style-type: none"> The authors should precisely add what are the unanswered questions addressed by the current paper. What is the contribution of this research work to the existing literature? Please mention it in the introduction section. The review of literature is not sufficient. The author(s) needs to increase review of past studies and strengthen the research gap. What is the justification for taking only one year data? Based on only one year data, how the author can make comments and generalise the results. The paper lacks the requisite rigor analysis and interpretation. The authors should specifically mention in what context this research is useful? Whom and how? Explain in detail. The relevance of the paper needs to be explained. 	
Minor REVISION comments	The whole paper should be proofread to get rid of grammar/typos issues.	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
