

## Review Form 1.6

Journal Name:	<a href="#">Journal of Pharmaceutical Research International</a>
Manuscript Number:	Ms_JPRI_81743
Title of the Manuscript:	Role of fundus fluorescein angiography in early diabetic maculopathy: A cross sectional study
Type of the Article	Original Research Article

### **General guideline for Peer Review process:**

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journaljpri.com/index.php/JPRI/editorial-policy>)

### **PART 1: Review Comments**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	During revision, extra punctuation marks were added in "red". They should be taken into consideration and they should be changed to Automatic black. Strikethrough text should be removed. There are some rephrased sentences. <u>Revise them</u> . If it's OK my suggestion, keep it.	
<b>Minor</b> REVISION comments	I erased some extra space at the end of the paragraph or phrase. Keep the same form for references within the text.	
<b>Optional/General</b> comments	Please, try to use the same form for parentheses within parentheses. e.g.: [changes were observed in 61(32%) of cases] or (changes were observed in 61[32%] of cases).	

### **PART 2:**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
