PART 1: Review Comments

| | Reviewer's comment | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|-------------------------------------|---|---|
| Compulsory REVISION comments | <ol style="list-style-type: none">1. Number of reference is very less in a review article some more reference is required for a good review.2. In method part there is a no reference there should be mentioned the reference.3. Reference format not same in your manuscript, Reference format should be same for journal, books or other citation check thoroughly. | |
| Minor REVISION comments | <ol style="list-style-type: none">1. In introduction part 2nd sentence there is no reference number.2. In case of graphical representation, they mentioned table number it should be figure number.3. In table 1 2nd column heading is age but under this other data also mentioned so it is confusing for a reader so heading or data should be changed if required one column can be added. | |
| Optional/General comments | | |

PART 2:

| | Reviewer's comment | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|---|--|---|
