PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>The authors have carried out quite interesting study. Though the work is sound and interesting scientifically, a better presentation may help it to be more interesting for the readers. I suggest the following points to improve the manuscript:</p> <p>Few sentences in abstract need to be formed properly. The manuscript needs a thorough proofread regarding punctuation and sentence formation. Many sentences are starting from a small letter that is tarnishing the impressiveness of the manuscript. At few places, spaces between words are missing, the authors are suggested to see the whole manuscript in this regard.</p> <p>The attached manuscript file has been highlighted with comments for the authors. Please improve the manuscript as per suggestions.</p>
