

Review Form 1.6

Journal Name:	Journal of Pharmaceutical Research International
Manuscript Number:	Ms_JPRI_83210
Title of the Manuscript:	Applications Of Cold Atmospheric Pressure Plasma In Dentistry- A Review
Type of the Article	Review Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journaljpri.com/index.php/JPRI/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	I read the paper, it is interesting. However, I found grammatical mistakes and Typo errors. Apart from this, the author missed to explain about the figure 1. Figure 1 is just copy and paste category. The author should draw the figure in word itself. Figure 2 and 3 need to draw in word. Don't follow the copy and paste strategy. Have to check align. Some places missed. I found only 29 papers are listed in Reference. Since it is a review paper minimum 50 papers should be referred. As a whole, I recommended this paper for Publication after major corrections.	
Minor REVISION comments		
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
