## Review Form 1.6

### PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	<p>Dear authors,</p> <p>This is a very nice study and I look forward to see it published. However, there are some concerns that I consider require revision.</p> <ol style="list-style-type: none"><li>1. The writing is alright, but the JPRI authorship guideline must be followed strictly.</li><li>2. The contents of introduction part do not look much focused. Please follow the guideline.</li><li>3. The citation must be as per the JPRI guideline.</li><li>4. There should be synchronous in the font type.</li><li>5. The key-words arrangement should be as per the guideline. You can follow the STROBE guideline also.</li><li>6. Better you can avoid unnecessary italic and underlines.</li><li>7. Please rearrange the paragraphs and in between spaces. You can take the reference from the published articles in JPRI.</li><li>8. Please the full sentence in the OBJECTIVE part.</li><li>9. In the Methodology section: the methodology should have a smooth flow while mention the study. There should not be separate section for the INCLUSION and Exclusion criteria. They should be written in the paragraphs.</li><li>10. There are some grammar errors. Please look in to them carefully.</li><li>11. JPRI authorship guideline states not to mention short forms in the abstract part. Please correct it.</li><li>12. Discussion could have been better written.</li></ol> <p>Otherwise the paper is very nice.</p> <p>Thanking You</p>	
<b>Minor</b> REVISION comments		
<b>Optional/General</b> comments
