PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<ul style="list-style-type: none">- The title is Parkinson's disease and the review is more of treatment for Parkinson's disease. Therefore, a title should be revised.- The review should be clear and focused on the medication of Parkinson's disease by used of Opicapone.- Citations should be put before a full stop or a comma.- Figure and table legends should be revised.- Manuscript should be re-structure so that their emphasis become stronger and more concise.- More references should be used since it is a review manuscript.	
Minor REVISION comments	Please check the main manuscript file	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
