**PART 1: Review Comments**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	<b>There are some linguistic issues that need to be adressed. Secondly , the writers refer to a prospective study</b> Surgery at Liaquat University Hospital Jamshoro, from December 2017 to 5th November 2017, the time span of the study referred seems to be wrong. it is not clear what was the exact type of analysis that was used for the statistics.	
<b>Minor</b> REVISION comments	the ethic background regarding the ethics committee of the hospital is not referred. The Discussion and the Conclusion section need to be more detailed.	
<b>Optional/General</b> comments	The structure of the tables is not very clear.	

**PART 2:**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Are there ethical issues in this manuscript?</b>	<i>(If yes. Kindly please write down the ethical issues here in details)</i>
