

## Review Form 1.6

Journal Name:	<a href="#">Physical Science International Journal</a>
Manuscript Number:	Ms_PSIJ_76171
Title of the Manuscript:	Study and Design of a Mobile Hydraulic Lift Table with Single Scissors
Type of the Article	Original Research Article

### General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://peerreviewcentral.com/page/manuscript-withdrawal-policy>)

### PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	<ol style="list-style-type: none"> <li>1. The citation format is inconsistent across the paper, some with capital letter while some are not. Please check apply consistent format for all.</li> <li>2. Among these, we have ..... article should be written in the first or third person and the use of "I," "we" or "they" should be avoided</li> <li>3. Check the English carefully for grammar, spelling and syntax. This paper should proof read before can be accepted.</li> <li>4. The scissors lift table has been studied by many researchers, please highlight the gist of importance of the subject, very salient previous research work and the need of the present work.</li> <li>5. What is FCFA? Authors should introduce the abbreviation before using it.</li> <li>6. 2.1 Block diagram of the lifting table.... That figure does not show block diagram, suggest to change the title</li> <li>7. In the conclusion, authors mentioned that "The total cost of the implementation has been estimated at 3,782,048,017 FCFA. This value is reasonable because the prices of the models offered by the manufacturers are around 4,800,000 FCFA" What is the logic of this statement?</li> <li>8. It would be better for the authors to highlight the state of the art in the study especially from research point of view.</li> </ol>	
<b>Minor</b> REVISION comments	Nil	
<b>Optional/General</b> comments	Nil
