PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<ol style="list-style-type: none">1. Editorial corrections need to be made especially in the references.2. Proper use of scientific names such as of hookworm need to used.3. Many statements are not supported, need to referenced.4. An acknowledgement section needs to be added. Surely, the author (s) did not do all the work by themselves.5. No reference was made re the political impact of prison governing institutions on the lack of implementation of sanitary measures within prisons. Financial profit is an important factor.	
Minor REVISION comments		
Optional/General comments	I am attaching a marked copy for the author (s) to use in their revision.
