Manuscript Number:	Ms_SAJSSSE_76865
Title of the Manuscript:	An analysis of reported Crime against Women and Girls in Eastern India
Type of Article:	Original Research Article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
<p>I have reviewed the revised manuscript from the study's author and would advise as follows:</p> <p><input type="checkbox"/> The author(s) has properly and appropriately addressed the various issues I raised in my initial review of the original draft of the manuscript to appropriate satisfaction.</p> <p><input type="checkbox"/> Of note, I appreciate the study has now provided clear definitions of the various crimes the study has placed a focus on – this is very helpful to all readers but particularly those from other countries who are not as familiar with some of the subject country's crime classifications. This is a key inclusion to make the study's interpretation truly meaningful.</p> <p><input type="checkbox"/> I would also note the quality of the English language spelling and grammar is significantly better and now meets standard.</p> <p>In conclusion, I feel the revised manuscript is a significant improvement over the previous submission and my recommendation is to accept publication of the study for the South Asian Journal of Social Studies and Economics.</p>
