### PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	<ol style="list-style-type: none"> <li>1. In section "Objective of the study", is not clarify the author research objective that what "to establish" if there is a relationship between woman entrepreneurship development and the challenges they face, so more detail clarified description is required to illuminate this.</li> <li>2. The explanation in Literature review section "Challenges Facing Women Entrepreneurs in Nigeria" is not in standard form of any research article because there is lacing of any previous/current research evidence, author just on their mind-set have mention the following points, it required for author to references it properly with evidence.</li> <li>3. In Literature section, the literature of references Stefen et al (2021), Olufemi (2020), Bimha, et al (2018), obi, Okechuku and Egbo (2017), Chinonye et al (2015), and Singh (2008) is too wide description. It is suggestion to author to emphasize it accordingly.</li> <li>4. In section "Methodology and Data Analysis", the author wrote "Some demographical data" that shows immoral way of explanation, please correct the following</li> <li>5. The section "Methodology and Data Analysis", in result author that how much different variable have impact on WED, but in theory the author don't give any detail of the following variable, please justify your answer.</li> </ol>	
<b>Minor</b> REVISION comments		
<b>Optional/General</b> comments
