General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalijtdh.com/index.php/IJTDH/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>There's a missing important word in the title attitude. The KAP is shortcut for three words knowledge, attitude and practice.</p> <p>The introduction must add(3-4) sentences about the malaria globally</p> <p>The aim of the study must mentioned in the end of the introduction. The individual ethical concern must be mentioned.</p> <p>Absent of two important parts in the article the conclusion and the recommendation</p>	
Minor REVISION comments	<p>Few key words (4-8) must be mentioned. stating criteria for inclusion and exclusion</p> <p>Rewriting the first reference(COSEP ???). All references must be in English language (references 28?,29?and 43?).</p>	
Optional/General comments	<p>Acceptable if the author is writing the aim of the study in introduction , writing the conclusion and recommendation and the missing points that mentioned above.</p>
