Compulsory REVISION comments	<ol style="list-style-type: none">1. The data downloaded from the secondary databases in December 2021 does not explicitly indicate whether the number of articles (20) are for all the years or the some time frame was taken into consideration. Though Figure 1 indicates 2020 and 2021, but period is not clear. Action: Specifying the time period is important2. Figure 4 talks about consequences, but the column does not carry any data. Action: Needs to factor explanation3. The discussion part needs little more elaboration. Since in absence of theoretical, practical and managerial implications, immediately after the analysis the discussion, gap and conclusion part appears. Action: Needs little more elaboration on insights derived from the study in the discussion part.	
Minor REVISION comments	The typos (u/l case) , grammatical errors needs to be addressed	
Optional/General comments	The topic is of interest, but needs modifications as indicated above
